

CSM PREMIUM HANDRAILS

We are proud to share that **we have expanded our production and are now producing our premium CSM handrails in Austria.**
The additional capacity allows us to deliver the same high quality product with a reduced lead time.

BENEFITS AT A GLANCE

-  **Safe operation due to high dimensional accuracy**
-  **Resistant against UV and ozone**
-  **Less cleaning needed**
-  **Customization available**
-  **Stable at high temperatures**
-  **Easy Splicing technique**
-  **Excellent optic and pleasant to the touch**
-  **Trusted by all major escalator manufacturers**

 **Did you know**, that Semperit can highlight your message on the handrails with your coloured logos, dots & pictograms?

AVAILABLE COLOURS

-  HF22 Black
-  HF19 Lightgrey
-  HF92 Charcoal

STORAGE AND ADDITIONAL INFORMATION

Storage time*		Additional information
Material kits	≤ 6 weeks	Semperit material and solution kits should be stored in original package at a dry and light protected area at a temperature between +5 and +20°C / 41 and 68°F.*
Solution kits	≤ 4 month	

* The expiration date of the material- and solution kits are marked on every package.
Do not use the material- and solution kit after expiry date, because expired materials may have a negative influence on the quality of the handrail joint.

All specifications, numbers, calculations, test values, and data mentioned here – which are the basis for our customer consultation – are in accordance with the latest engineering standards. As the operating conditions have an influence on product application, it is the sole responsibility of the customer to check the application conditions of each individual case, and whether the specified quality criteria of our products are adequate for the intended purpose. Improper use, excessive loading, or exposure to impermissible media can impair the product's function. The pictures and graphics shown are only representative images. No liability is accepted for mistakes or printing errors, and data is subject to change at any time. Copying and distribution in any form whatsoever, in whole or in part, only with the express written consent of Semperit. © Copyright 2021 Semperit Technische Produkte GmbH. All rights reserved.
